This page is the gateway to the heart of the site. You must enter a Login and a Password given by your administrator allowing you to connect to the main page of the site. The email address for administrators to request your credentials is: admin@carnel.com.

Once on this page you have several possibilities as shown in the figure below, you can:

- View the carpools to which you are registered. It is also possible to unsubscribe from one of these in the last column.

Mode de déplacement	But du déplacement	Nombre de personne(s)	Participation	Personne 1	Personne 2	Personne 3	Personne 4	Se désinscrire
Voiture	Voiture	Cours	2	2$	admin admin	Thomas Raynaud	X	X

- Search for carpools or a trip according to several criteria such as participants, place of departure or departure time. This page is not yet fully functional. The latter will also facilitate the request to join a carpool with an administrator. Requests for carpooling are made in contact with the administrators, however subsequently a tab to join a carpooling will be added.
